# PRESIDENT'S MESSAGE

**SHAHEEN .K.K - President, SMC**

Dear Students and Parents,

I am delighted to announce the release of our school magazine, which is a testament to the hard work and dedication of our students, teachers, and parents. As the school management committee president, I would like to extend my heartfelt appreciation to all of you for your unwavering cooperation and continuous support.

This year's magazine showcases the incredible talent, creativity, and achievements of our students, who have once again exceeded our expectations with their exceptional academic and extracurricular performances. The magazine truly reflects the hard work and commitment our students have put in over the past year.

I would also like to thank our dedicated teachers, who have gone above and beyond in guiding and mentoring our students. Their tireless efforts and commitment to excellence have played a significant role in shaping the future of our students.

Finally, I would like to express my gratitude to our supportive parents, who have been integral to our school community. Your unwavering support and encouragement have helped us create an environment that fosters learning and growth.

I hope that you enjoy reading our school magazine and appreciate the incredible achievements of our students. Thank you once again for your support, and I look forward to continuing to work together to make our school the best it can be.

Best Regards,

Shaheen K.K  
President,  
S.M.C

# PRINCIPAL'S MESSAGE

**SANTHA KUMAR DASARI - Principal**

Dear Students and Parents,

It is with great pleasure that I write this message for our school magazine. As principal, I am thrilled to see the continued success and growth of our school community, and I believe that our school magazine has played an important role in achieving that success.

The school magazine is more than just a collection of articles and photos; it is a reflection of the creativity, hard work, and dedication of our students and staff. Through the magazine, we are able to showcase the talents of our students, highlight important events and achievements, and provide a platform for our community to come together and celebrate our shared experiences.

The benefits of the school magazine are numerous. For our students, it provides an opportunity to develop their writing and communication skills, as well as a sense of pride and ownership in their work. For our parents, it offers a window into the budding talents of our students and for our staff, it is a chance to showcase their expertise and leadership, as well as to collaborate with colleagues across departments and grade levels.

I would like to take this opportunity to congratulate all of our staff members for their participation and guidance in producing the school magazine. Your hard work and dedication are truly appreciated, and you have played a critical role in making our magazine a success. I would also like to congratulate our students and parents for their efforts in contributing to the magazine. Your creativity, enthusiasm, and support have made the magazine a true reflection of our school community.

In closing, I want to encourage everyone to continue to support our school magazine and to take pride in the important role it plays in our school community. Together, we can continue to celebrate our shared experiences and achievements, and work towards building an even stronger school community.

Sincerely,  
Santha Kumar Dasari  
Principal

## CLASS TEACHER'S MESSAGE

JISHA SUDEEPKUMAR - Class Teacher - Class I

Dear children,

**' YOU ARE AMAZING JUST THE WAY YOU ARE'**

Be proud of your own accomplishments and compliment others in their achievements. Consider each achievement however small or big as a platform to develop and boost your confidence level. Believe in yourself, you are stronger than you know. Fill your heart with laughter and smile often. Never let your enthusiasm and excitement go down .You are unique, special and amazing . Dream, believe, wonder, inspire, love, nurture and always listen.

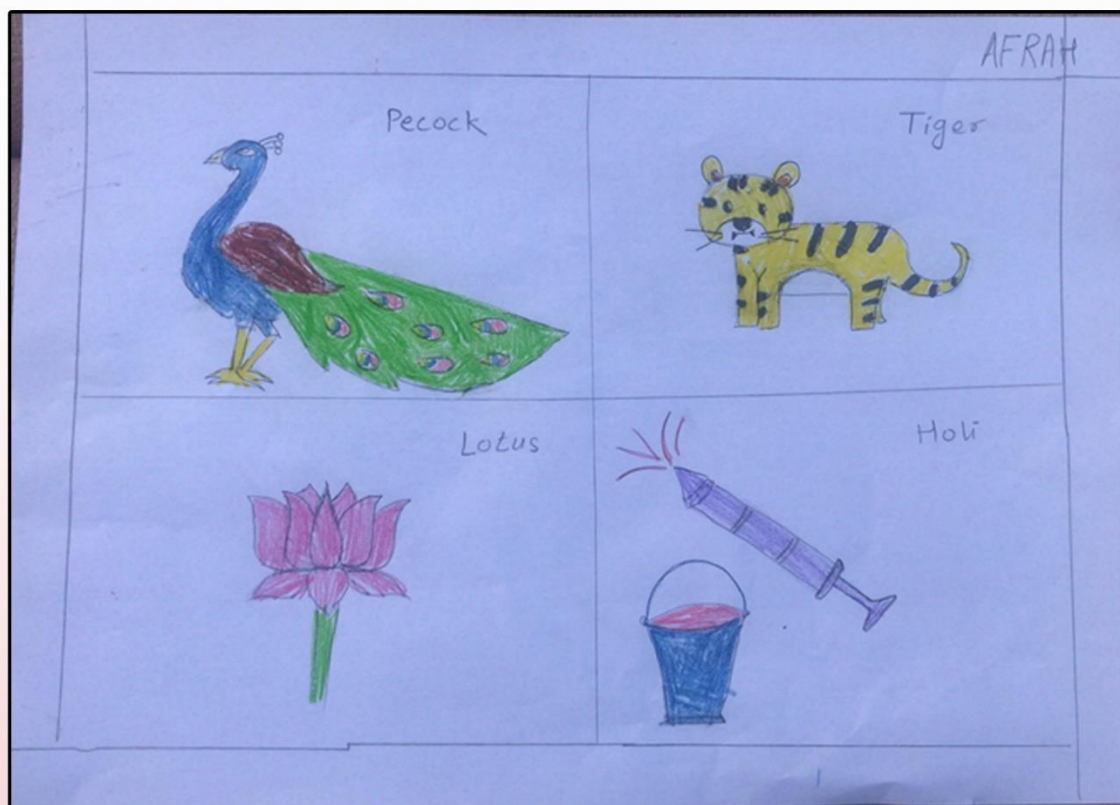

I congratulate each and every student and parents who have put their enormous effort in making our class magazine KINDERWELT , a splendid one.

## MY HOBBY (TRAVELLING)

ATIF RAYYAN WAFI - Class I

My favorite hobby is travelling. I have never bored to do so. I travel by car, by train, by plane and travelling on foot. But I have never travel by ship yet.

I love to travel with my family (Father, mother and my sister). I like most to travel by car and spend a little time at different places. I am interested in seeing new sights, exploring different cultures and else. I admire the beauty of the natural attractions such as mountains, waterfalls, forest lakes, seas and oceans, forests, valleys, hills, etc.

Recently I travelled one of the east African countries, name The Republic of Tanzania. I visited Tarangire Safari Park, Ngorongoro crater and conservation area, Snake Park, Jozani forest and top most Africans mountain name The Mountain of Kilimanjaro. Feeding animal is really incredible.

## MY HOBBY

TANUJA PRATAP BAGUL - Class I

I am Tanuja Pratap Bagul. I am a student at the Indian School Al Buraimi. I study in Grade 1. Here, I am writing about my favourite hobby. I like to do many things in my free time for example- collecting coins and stickers, reading and playing games. But among all these activities, my favourite hobby is 'drawing and painting'. I like to draw beautiful pictures. Whenever I get free time, I draw beautiful pictures and I colour them. I don't feel bored while drawing and colouring the pictures. I love drawing and painting so much.

I started drawing pictures from Kindergarten 1. After completing my homework and studying all the subjects, I find time for my hobby. It helps me to refresh myself.

Thank you for reading my article.

## TEACHER

FATIMAH IMTIYAZ - Class I

We all go to school and learn new things and develop good habits, although we learn these at home too. So, I can say my mother is my first teacher. Then when I visited my school, it was my primary miss. She was a wonderful person. Teachers always want their students to learn more and more. They always like it when a student asks question and wants to learn more . There are only two people in this world who feel happy in answering my silly questions, one is my mother and the other one is my school teacher. I love all my teachers.

## ADVANTAGES OF READING

ISSAC SHIBU - Class I

Reading is one of the most important and beneficial activities. If you have ever read a book in life, you will know the pleasure and rewards of reading. Reading exercises the brain and reading is a form of entertainment. Reading improves concentration, the ability to focus, literacy, sleep, increases knowledge and reduces stress.

It develops positive thinking and gives you a better perspective. The more you read, the wiser you become and the more you will be recognised and appreciated. A person will never feel bored or lonely if they develop good reading habit. The primary forms of books are novel, poem, dramas, history, short stories etc. Books are our guide and we can learn everything from them. Books contain a lot of information that will be useful to us. A book is a gift you can open again and again.

"Keep Reading. It's one of the most marvellous adventures that anyone can have." This is a quote about reading by Garrison Keilar. The habit of reading is one of the best qualities that a person can possess. Books are known to be your best friend for a reason. So it is very important to develop a good reading habit.

# MY GARDEN

AADIDEV KS - Class I

I have a small garden in my house. In my garden there are lots of colorful flowers. I have sunflower, marigold, rose, Jasmine and other types of flowers in my garden. My mother and I water the plants regularly. A part of my garden is used for growing natural herbs and vegetables. Gardening is my favorite hobby and I love to spend time in my garden.

## FUN FACTS ABOUT FRUIT AND VEG

SUMANYU - Class I

We love Fruit and Veg!! So we have put together fun facts about fruit and veg, how many of these facts you already know!

- Tomatoes are a fruit.

And they are the most popular fruit in the whole world!

- Strawberries are technically not a berry.

Weird but true!

Berries by definition have their seeds on the inside, whilst strawberries hold their 200 seeds on the outside.

- A pomegranate can hold up to 1000 seeds!

- Potatoes were the first vegetable to be grown in space.

- Not all oranges are orange.

In subtropical regions, like Brazil, where they grow some types of oranges, the temperature isn't cold enough for the skin to turn orange.

This means the orange could stay green or yellow, even when it's ripe!

- Cranberries can bounce.

When they're ripe, they bounce! Give it a go yourself...

- Pumpkins and cucumber are also classed as a fruit, not a vegetable!

Not to mention olives, avocado, aubergine and pepper; which are all also fruits!

- Durian is the smelliest fruit in the world.

- Apples, peaches and raspberries are all members of the rose family.

- Pumpkins and avocados are fruits not a vegetable.

- Apples float in water because they are 25% air

- A half-cup of figs has as much calcium as a half-cup of milk.

- Green fruits help make your bones and teeth strong.

- Apples give you more energy than coffee

- Each pineapple plant only produces one pineapple per year

- Bananas have a natural antacid effect in the body, so if you suffer from heartburn, try eating a banana for soothing relief.

- A strawberry isn't an actual berry, but a banana is!
