PRINCIPAL'S MESSAGE

SANTHA KUMAR DASARI - Principal

Dear Students and Parents,

It is with great pleasure that I write this message for our school magazine. As principal, I am thrilled to see the continued success and growth of our school community, and I believe that our school magazine has played an important role in achieving that success.

The school magazine is more than just a collection of articles and photos; it is a reflection of the creativity, hard work, and dedication of our students and staff. Through the magazine, we are able to showcase the talents of our students, highlight important events and achievements, and provide a platform for our community to come together and celebrate our shared experiences.

The benefits of the school magazine are numerous. For our students, it provides an opportunity to develop their writing and communication skills, as well as a sense of pride and ownership in their work. For our parents, it offers a window into the budding talents of our students and for our staff, it is a chance to showcase their expertise and leadership, as well as to collaborate with colleagues across departments and grade levels.

I would like to take this opportunity to congratulate all of our staff members for their participation and guidance in producing the school magazine. Your hard work and dedication are truly appreciated, and you have played a critical role in making our magazine a success.

I would also like to congratulate our students and parents for their efforts in contributing to the magazine. Your creativity, enthusiasm, and support have made the magazine a true reflection of our school community.

In closing, I want to encourage everyone to continue to support our school magazine and to take pride in the important role it plays in our school community. Together, we can continue to celebrate our shared experiences and achievements, and work towards building an even stronger school community.

Sincerely,

Santha Kumar Dasari

CLASS TEACHER'S MESSAGE

RAJANI ANILKUMAR - Class Teacher - KG I

I congratulate each and every student and parents who have put their enormous effort in making this E-Magazine 'OKIDO', a splendid one. There is no doubt that the achievement of our students are built by the never ending support of their parents. "It surely takes a big heart to shape our little minds". The school takes pride in this innovative project.

I, as a Class Teacher is extremely happy to see my students enjoying their learning with great enthusiasm & joy.

My students are no less than adults in many ways. Rather, they are greater in terms of unconditional love and respect. Sometimes, they speak such great philosophy that I just gazed at them with wonder. Perhaps, in this 21st century, children are more sensitive to their surroundings. They are highly emotional!! I quote 'My students might have small hands but have a big heart'
