PRINCIPAL'S MESSAGE

SANTHA KUMAR DASARI - Principal

Dear Students and Parents,

It is with great pleasure that I write this message for our school magazine. As principal, I am thrilled to see the continued success and growth of our school community, and I believe that our school magazine has played an important role in achieving that success.

The school magazine is more than just a collection of articles and photos; it is a reflection of the creativity, hard work, and dedication of our students and staff. Through the magazine, we are able to showcase the talents of our students, highlight important events and achievements, and provide a platform for our community to come together and celebrate our shared experiences.

The benefits of the school magazine are numerous. For our students, it provides an opportunity to develop their writing and communication skills, as well as a sense of pride and ownership in their work. For our parents, it offers a window into the budding talents of our students and for our staff, it is a chance to showcase their expertise and leadership, as well as to collaborate with colleagues across departments and grade levels.

I would like to take this opportunity to congratulate all of our staff members for their participation and guidance in producing the school magazine. Your hard work and dedication are truly appreciated, and you have played a critical role in making our magazine a success. I would also like to congratulate our students and parents for their efforts in contributing to the magazine. Your creativity, enthusiasm, and support have made the magazine a true reflection of our school community.

In closing, I want to encourage everyone to continue to support our school magazine and to take pride in the important role it plays in our school community. Together, we can continue to celebrate our shared experiences and achievements, and work towards building an even stronger school community.

Sincerely,
Santha Kumar Dasari

CLASS TEACHER'S MESSAGE

CHRISTINA JOSEPH - Class Teacher - KG II A

This magazine is to be viewed as a launch pad for the children's creative urges to blossom naturally. 'Magical Hands', as the name self explains is a collection of drawings created by the magical hands of our budding stars of KG 2. This humble initiative is to set the building minds free allowing them to roam free in the realm of imagination and experience to create a world of beauty in colors. We are very much sure that, as time progresses these tiny tots will be able to put their mind's eye and experience in words one day. We not only appreciate their enthusiasm and creativity, but also wish them all success.

CLASS TEACHER'S MESSAGE

SANGEETH SOMAIAH - Class Teacher - KG II B

Every child is a different kind of flower, and all together, they make this world a beautiful garden. Children are the world's most valuable resource and the best hope for the future. Art is a place for children to learn to trust their ideas, themselves, and to explore what is possible. Art encourages children to think, develop skills and to gain confidence as they grow.

'Magical Hands' exhibits the creative art work of our little tiny tots. Art has the power to transform, to illuminate, to educate, to inspire and to motivate. I congratulate each and everyone for their creative work and wish them all the very best as they continue on in their journey of education.
