

## **ANNUAL REPORT**

After the pandemic, full-fledged offline classes started for the academic year 2022-23. The transition to full-fledged offline classes has marked a return to a more traditional learning environment.

Staff attended various orientation courses and workshops which demonstrates a commitment to the continuous professional development of the staff. This is essential for keeping educators up-to-date with the latest pedagogical trends and strategies. It's a commendable approach that benefits both educators and their students.

For the academic year 2022-23, we adopted a new curriculum for KG I and KG II powered by S.Chand's Publication Group "MYLESTONE". This has made the children active learners through activity based learning which enhances the learning level and cognitive skills. Hope you must have noticed the difference.

We celebrated some special days. Some of them are Language Day, Yoga Day, Earth Day, World Environment Day, , Teachers' day, Hindi Diwas, Gandhi Jayanti, Rashtriya Ekta Diwas, Children's day, Mother's Day, with various programs and activities depending upon the nature of the events.

We celebrated various National and Religious festivals: Independence Day, Republic day, Oman National Day, Eid, Christmas, Onam

We also conducted co-curricular and extra-curricular activities and competitions like Mono Act, Poetry Recitation, Debate, Extempore, Elocution, Storytelling, Technology Day, etc.

We also conducted inter house competitions like GK Quiz, Maths Quiz, Mime, Street Play, Pookalam, etc.

For KG students we conducted Fancy Dress, Colour days, Show and Describe, Rhyme Recitation, Colouring, Hat's Day, Clay modelling, storytelling and Kitchen Corner activities.

We organised Science & Maths Exhibition on a competitive basis and Language & Art Exhibition on a non-competitive mode.

Class Picnic days are the days where students make memories for their life time. All the classes enjoyed their picnics.

Display board competitions: It is a monthly house wise competition. The topics chosen for the competition are:

1. Effects of War. How to Avoid Wars.
2. Mental Health and steps to improve

3. Harmful effects of plastics and its possible replacement
4. Works of great leaders
5. Inspirational quotes in Hindi (Relevant to Children)
6. Achievements of India in different fields. Areas in which India needs an improvement
7. Qatar World Cup
8. Cross Curriculum link
9. Contribution of Technology to education
10. Skills that we need to develop in the 21st century

For Classes IX and X - Top priority is given to academic performance. Cyclic tests, unit tests, class tests, assignments, project work, online and offline remedial teaching, extra classes etc. have kept them busy throughout the year.

*'Mind Boggle Quiz'* - Students actively took part in the quiz which is conducted fortnightly.

School published class e- magazines and school e- magazines for the academic year 2022-23. In which students expressed their views on various topics.

Our students actively participated in various inter school competitions like AKAM, ISTF, EAMUN, Mock Parliament, Polemic Challenge, IS Quiz, STAI, Indian School Film Festival and AVENIR
