

## INDIAN SCHOOL AL BURAIMI CIRCULAR

Dear Parent,

PC - 12/2026-2027

Greetings of the Day!

16/09/2026

Kindly be informed that,

CBSE Registration for Classes IX, X & XI has commenced. Parents are requested to carefully note the following points:

1. Classes IX & X:

The student's name and the names of the father and mother will be entered in the CBSE registration details exactly as they appear in the student's passport.

If there is any discrepancy or if any change is required in the parents' names in the student's passport, the necessary correction must be made through the authorized authorities before submitting the details.

2. Caste Category:

A specific caste will be entered only for students who have submitted a valid caste certificate. Students who have not submitted a caste certificate will be registered under the General category.

3. Subject Selection for Class X:

The subject options for Class X must be selected at the time of CBSE registration in Class IX. No change in the subjects will be permitted in Class X.

4. Class XI:

The details of Class XI students will continue to be maintained as per the Class X CBSE Board Examination Marksheet. Any change in the student's name or parents' names will be considered only upon submission of a new/updated passport.

5. Subject Selection for Class XII:

The subject options for Class XII must be selected at the time of CBSE registration in Class XI. No change in the subjects will be permitted in Class XII.

6. Direct Admission to Classes X & XII:

Direct admission to Classes X and XII will normally not be possible after CBSE registration has been submitted, which takes place when students are in Classes IX and XI, respectively, during the month of September.

Parents are requested to ensure that all the details are correct and match the data before the registration process is completed.

Warm regards

Principal
